

CAMEL Cigarettes—20 for 10c—are a blend of choice quality Turkish and domestic tobaccos. They will not bite your tongue or parch your throat.

You haven't money enough to buy a more delightful cigarette—and no premiums or coupons could make you change over from Camels if you'll give them a try-out.

Stake a dime on the Camel today. Do not look for premiums or coupons; as the cost of the tobaccos in Camel Cigarettes prohibits their use.

BURNED AND ITCHED SOMETHING AWFUL

Little Pimples on Hands and Arms. Began to Fester. Turned and Tossed All Night. Suffered Torture. Used Cuticura Soap and Ointment a Month. Hands and Arms All Better.

481 East 7th St., South Boston, Mass.—"I first noticed little pimples on my hands and arms and they burned and itched me something awful. They first looked like little white lumps and then they began to fester and came to a head. The burning and itching were so intense that I scratched till I made bleeding sores and they pained me very much. It seemed when my clothing touched me that I would scream. I could not sleep at night; I would turn and toss all night. I suffered torture. It seemed as though I should go frantic; I did not seem to care what happened; I did not care whether I lived or not. "I tried various other soaps and ointments with no help. I did not know what to do until a friend told me to use Cuticura Soap and Ointment. I had only used the Cuticura Soap and Ointment a month when my hands and arms were all better." (Signed) Mrs. Elizabeth B. Gustis, Nov. 1, 1912.

PLAINFIELD

Commencement Week at Plainfield Big Success.

Commencement week at Plainfield was one of the most successful in the history of the school. The senior class presented the three-act comedy-drama entitled, "Oak Farm," to a large and appreciative audience, from which the seniors realized \$80 to aid in defraying the expenses of the class. The baccalaureate sermon was delivered by Rev. A. W. Hewitt at the Methodist Episcopal church, the students of the high and grammar school attending in a body. The text was taken from Romans 13:21. The seating capacity of the church and vestry was taxed to its utmost. On the Tuesday evening following was held the prize speaking contest at the opera house, where all members of the freshman class participated. Every member of the contest manifested great ease and mastery of the subject. Rev. A. W. Hewitt, Rev. Perrin and Mrs. J. M. Tebbetts acted as judges, awarding the prizes as follows: The first prize of \$6 divided between Misses June Martin and Esther McKnight. The second prize of \$6 divided among Misses Evelyn Colburn, Fannie Martin and Richard Strong. Prin. O. B. Wood also awarded prizes to those having perfect attendance in the high school for the entire year, there being four in number. Misses Bessie Stowe, June Martin, Marjorie Cate and Wayland Hamel. Herbert Hill was awarded a prize for the highest mark in spelling, receiving 98½ per cent. Music was furnished by the Plainfield orchestra. On Thursday afternoon at 2 o'clock a large number of friends and townspeople assembled on the school campus to listen to the class day exercises by the seniors. The address of welcome was given by Edna Arbuckle; address by undergraduate, Fannie L. Martin; class history, Arthur Lavigne; class prophecy, Bernard Hamel; class oration by Dean Angus Ladd, who received third honor in the class. His subject was "Why Do We Get An Education?" The class will be read by Ryland A. Parks; class ode by Marjorie Cate; address of farewell by Henry Hudson. The graduation exercises took place at the opera house Friday evening at 8 o'clock. Early in the evening seats were at a premium. At 8:15 the orchestra played a march and the school children marched into seats reserved for them, after which the seniors were marshaled in by Reginald Davis, down the center aisle and onto the stage, which was decorated for the occasion with a solid evergreen back, on which the class motto in pink, "We Launch to Anchor, Where?" The essays and orations were excellently delivered and the ideals advocated were true to life. The command of language and stage grace were seldom surpassed by pupils of their age and experience. The report of perfect attendance for the entire year in the primary room is: Francis Wood, Willie Hudson; for the spring term, Joe Bartlett, Willie Hudson, Wesley Willard, Francis Wood, Merle Wood, Edith Bartchelder, Ida Steele, Mrs. Ione E. Beautiful, Soft, Fluffy Hair an Aid to Beauty

Who does not love a head of pretty hair? Some women think it is a gift of nature and envy their more fortunate sisters. If your hair is not fluffy, soft and lustrous, is falling out, straggled, faded, brittle, or full of dandruff, and if the scalp itches, do not think it must always be that way, for pretty hair is only a matter of care and proper nourishment of the hair roots. Hair is something like a plant—if neglected it soon withers and dies, while with a little attention it keeps fresh and beautiful.

Parisian Sage is a scientific preparation that supplies just the elements needed to invigorate the hair roots and stimulate the hair to grow long, thick, fluffy, soft and lustrous. It removes dandruff with one application and quickly stops itching head and falling hair. The Red Cross Pharmacy or any druggist can supply you with Parisian Sage—it is inexpensive. You cannot be disappointed with this delightful and helpful hair tonic for the first few days' use will give you the beauty and charm of youth.—Adv.

WHEN SKIN BREAKS OUT OR ITCHES APPLY SULPHUR SAYS AN OUNCE OF BOLD-SULPHUR CREAM WILL DRY ANY ECZEMA ERUPTION RIGHT UP

Sulphur, says a renowned dermatologist, just common bold-sulphur made into a thick cream will soothe and heal the skin when irritated and broken out with eczema or any form of eruption. The moment it is applied all itching ceases and after two or three applications the eczema disappears, leaving the skin clear and smooth.

He tells eczema sufferers to get from any good pharmacy an ounce of bold-sulphur cream and apply it to the irritated parts the same as you would any cold cream. For many years common bold-sulphur has occupied a secure position in the practice of dermatology and cutaneous affections by reason of its parasite-destroying property. It is not only parasiticide, but also antipruritic, antiseptic and remarkably healing in all irritable and inflammatory conditions of the skin. While not always effecting a permanent cure it never fails to instantly subdue the angry itching and irritation and heal the eczema right up and it is often years later before another eruption appears on the skin.
